Event Procedures to comply with BISD Health and Safety Guidelines

- When you get to LBMS please **park in the drop off parking lot off of Cedar Rd.** If the lot fills up you are allowed to park up on the grass in the adjacent field.
- You are encouraged to get to the school early, but you'll have to **wait outside** until your assigned entry time. **Symphonic Band Students @ 6:30pm** and **Spectators @ 7:00pm.**
- A **mask must be worn** the entire time you are in the building.
- **Symphonic Band will start warm-up in the band hall at promptly at 6:45pm.** Be in your seats ready to play.
- **At 7:00pm, spectators may enter** at the glass double doors on the right side of the building (by the choir room). This will be clearly marked. You will walk down the hall and through the cafeteria to access the gym area.
- Please promptly take your seats in the gym and avoid congregating. Every other row is taped off. Do not try to sit in a closed row. When your party is seated please keep two seats between you and the next party.
- The Symphonic Band concert will begin at 7:15pm. COVID guidelines reduce our capacity by 50%, this means we are limited to 250 seats for the concert. With 53 Symphonic Band students, we must restrict seating to **4 spectators per student.** I am very sorry for this limitation.
- We are working on a way to reliably livestream the concert for extended family to enjoy remotely. The gym must be checked for internet signal strength before we know if this is an achievable option.
- At the **conclusion** of the Symphonic Band concert you **must exit the facility immediately.** There is another performance with a separate audience beginning at 8:00. You will exit through the large gates in the drop off parking lot. This will be clearly marked. Please wait in the parking lot or the drop-off awning for your student to come out of the building. Crowds cannot congregate inside the facility whatsoever.

Thank you for your cooperation,
