## Concert Etiquette

Our Lake Belton students have spent many hours in preparation for this concert. We appreciate the time you have given by being here tonight. Please observe these special considerations so that everyone may enjoy the concert, while showing respect for the students on the stage.

1. Silence your devices and dim the display.
2. Please refrain from talking during a student performance.
3. If children become restless, please take them out in between pieces.
4. Please remain seated during the performance of a piece.
5. Applause is appreciated once the director's hands have been lowered signifying the end of the piece.
6. When the band performs on a stage in an auditorium we show our appreciation for the performers by clapping. Please do not holler for your student, shout out their name, or call attention to an individual.

## Enjoy the Concert!
